What is the date today?

Usually when someone asks this question, you might look to a calendar for the answer. The date might help determine what to wear, where to go, and what you might do. For example, if the date were January 15, you might decide to wear warm winter clothes. If it were July 12, your family might have a picnic. Calendars help keep things in order.

What does this have to do with the Divine Service?

The Church's calendar determines much of what happens in worship each Sunday (like the colors in the Sanctuary, or the readings for the day). The Church has its own calendar and its own seasons. The Church's seasons are based on the different events in the life of Christ and His Church. Instead of Summer, Fall, Winter and Spring, the Church's calendar has Advent, Christmas, Lent and many more. This calendar helps put order to the seasons and festivals of the Church.

Parents: Before or after the service, direct your children to the front of the hymnal to find the liturgical calendar. Go through the calendar and discuss the different seasons. Remind them that many of the special dates we have on our everyday calendars come from the liturgical calendar, i.e. Christmas, Easter, etc.
